For 25 years, generous donors like you have helped us support hundreds of parents and kids in their journey to becoming a family.

A permanent family provides a lifetime of love, support, guidance, and opportunity.

Family prevents homelessness, unemployment, legal system involvement and poverty.

You Gotta Believe is one of the few organizations that focuses exclusively on finding permanent families for kids in foster care before they age out of the system alone.

They are much more likely to have a high school diploma, earn enough to support themselves, and go to college!

This is the profound effect of being connected to a loving family. Your support will give kids, like Michael, the crucial on-going support he needs to create a lifelong bond with his new parents.

“I found the Wright family because of you.”
—Michael, about his parents,
